Indoor League and 3-d Shoot

We have started shooting the indoor 3-d league. The 1st week we had 17 shooters shoot a total of 19 times. Remember, you can shoot as many times as you want, but each time you shoot, you need to pay the \$5 entry fee. We will use your highest score for the week.

Walker River Rendezvous

We are starting to plan for the Walker River Rendezvous and the NBHA marked yardage shoot the weekend of April 12 & 13. There is a sign-up sheet for committees on the board. If you want to be in charge of or want to help on a committee, please put your name on the sheet.

All club members are reminded to bring 1 raffle prize for the raffle on Sunday.

Dues

Club dues are payable now. If your dues are not paid by February, you will not be getting a newsletter. Last year, we were sending out 75 newsletters. As of January 23, we only have 37 paid memberships. After February 1st, dues are \$30 for a single, and \$40 for a family.

Heat & Light Money Box

We have put a donation money box to help off set the cost of heat and electricity on the table. If you come up and shoot at any other time than the regular shoot nights, please donate a couple of dollars to help pay for the propane and electricity you use. Propane is about \$ 3/gal. and with all the use the building is getting on the extra days, we are using a lot. If you do not use the heat and lights, you do not need to donate.

Kids shoot

There is a paper on the board to sign-up to be in charge of the kid's activities for each Thursday night. People with kid's should take turns finding activities for each shoot night.

Restrooms

Just a reminder that there is no heat or lights in the restrooms. If you need to, bring a flash light for the dark and cold nights. We are in the process of drawing up plans for permanent bathrooms. Hopefully this is the last year that we need the portapotties.

Meetings

The next meeting of the Board will be February 20 at 6pm. It will be at the Mason Town Hall.

There will be a general membership meeting on March 6 at 7pm in the archery building.

Pope and Young Buckle

We have been giving a buckle to whoever shoots the biggest Pope and Young animal. This is for any animal except deer. The biggest deer award has it's own buckle.

The Walker River Bowmen are proud to announce that the Pope and Young buckle has been renamed. It is now the Gordon and Martha Diehl Pope and Young Award. Gordon and Martha are some of the founding members and have been in the club longer than anyone else. To try and put into words all they have done for the club, it would probably fill a book. I know they do not want any attention brought to them. So I will be short. Thank you for everything both of you have done. We appreciated it, and we can never repay you for your time or help. Again, Thanks for everything.
